

ROCK RIDGE  
COUNTRY CLUB INC

Dear Prospective Member,

Thank you for your inquiry into membership at the Rock Ridge Country Club. After you review the enclosed materials, I hope that you will schedule a visit to see first hand all that our club has to offer.

Established in 1954, Rock Ridge was originally created as a small private club where members could gather together with their friends and associates to enjoy a day of golf and camaraderie. Over a half century later that tradition continues and Rock Ridge is still all about coming together to enjoy quality time with family and friends. Yes, we're still a small club, but our limited membership also plays a large role in our success.

"Relax and play with family and friends", that's the essence of life at Rock Ridge. We're a family focused club and whether you enjoy golf, tennis or swimming we're sure that you'll always find a welcome environment for your level of play.

If you love golf, then you'll love the fact that tee times are rarely needed. The golf course at Rock Ridge is an exceptionally maintained and challenging 9-hole course that features separate tee areas for playing an eighteen hole round. Our bent grass greens are some of the best in Fairfield County, and we have a dedicated PGA Pro and his qualified staff who maintain a full schedule of tournaments and activities for those members who seek a challenge. If a relaxing game is what you enjoy, then rest assured that you'll find it here as well.

If Tennis is your passion, then we welcome you to enjoy our beautiful Har-Tru tennis courts. Play at your own pace, or if you are looking for a bit more then speak to our professional staff about participating in tournaments, or with the organized groups that play regularly. Our professional Tennis staff is friendly, energetic and always ready to assist you with your game.

If you enjoy swimming, then our pool area features a heated pool and comfortable lounge chairs that await your sun-filled afternoons. Our pool is a great place to socialize with friends or for just relaxing and reading a book. If you have a toddler, then our separate wading pool is a safe place for them to cool off as well.

214 Sugar Street  
Newtown, CT 06470

Fax (203) 270-1932

Our junior sports programs are popular with the membership and they are a great way for your child to meet new friends, and an exceptional way for them to learn or to improve their swimming, golf or tennis skills. Our junior programs are open to children of all skill levels, and they offer a fun, instructional and competitive environment that will enrich your child's time at the club.

After a lively day of outdoor activities, join your friends and family on our patio for a delicious sunset dinner. Friday nights are especially pleasant as the patio is often filled with the sounds of live entertainment. After dinner join your friends at the fire pit, and round out your evening sharing drinks and stories by a nice fire.

Once you settle into life at Rock Ridge you'll see why some people call our club "the best kept secret in Fairfield County".

Please call the business office at 203-426-2106 with any questions that you may have, or send me an email at [domdibella@optonline.net](mailto:domdibella@optonline.net). I would also welcome the opportunity to meet with you personally to discuss our various membership options.

Sincerely,

Dominic DiBella  
Membership Chairman

## Testimonials

“I’ve been a member at Rock Ridge for five years and the club has become like a second home for me and my family. I’ve met so many wonderful people who have become close friends and the incredibly friendly staff makes it a welcoming experience every time we’re there (which is often!). Best of all, I’ve found the club the perfect place to spend time with my children, especially my son on the golf course. I bring lots of guests to Rock Ridge and their reaction is almost always the same—that the golf course is a lot more challenging than it looks on the scorecard and that it is one of the “most comfortable” private clubs they have ever visited. Part of that is the wonderful restaurant. In fact, the food is so good and the grill room so inviting that my kids kept asking me over the winter when the club was opening up again!”

Mike Johnson  
Senior Editor  
Golf Digest/Golf World

“For the twenty years we have been at Rock Ridge, the club has been an intrinsic part of our family lives. Our four daughters have gone with us to the holiday barbeques at ages 8, 6, 4, and 2, and were all on the swim team into their teenage years. Diane and I go to the club for dinner at least once a week to have some time by ourselves. The golf course is always in great shape and as our guests finish their round they often say, “This course is more difficult than I originally thought.” All in all, we look forward to enjoying the casual and friendly atmosphere of Rock Ridge for many more years to come.”

Bob McDonald  
First Vice President  
Merrill Lynch

“Rock Ridge Country Club is a wonderful family experience. My family’s main focus is on the golf, although we enjoy the social events as well. My daughter, Jessica, never got the “golf bug” but enjoyed having lunch and dinner with the family and other members! My son, Jared, on the other hand was a golf enthusiast playing at Rock Ridge at an early age helping him to become Newtown High School’s 1<sup>st</sup> All State golfer. Also, my wife, Debbie, is an avid golfer and has been the Women’s Club Champion several times. As for me, I will never be club champion! But that’s ok, playing golf and socializing with the wonderful people at Rock Ridge is good enough for me.”
