

Welcome to Chiquitos FDC 2012

I'd like to take the opportunity to give a big Chiquito's welcome to all our new families at Chiquitos FDC, and welcome back to the ones staying with us for another fun year. As we'll re-open our doors on Monday the 9th January.

Also will notice some improvements around the premises, the sandpit area has been re-laid accordingly to avoid any weeds growing back, and filled up with scoria (crushed brick material) for the comfort and safety of the children, we have also high pressured cleaned the concrete sections, and replaced some of the sandpit tools and educational toys.

We have been working three weeks already and we are filling up January - February diary with lots of activities. We celebrated Australian day , listening different stories about culture, food, custom etc) and Chinese New Year kids made their own dragon head and hats, and went for parade around the backyard, playing some musical instruments

During the month of February, Sutherland Shire council playsession will be back for 1st term after had a few renovations last year, and looks extremely fantastic, we can't wait to have fun at the premises.

Also, Chiquitos Family Day Care got two (3) spots left available(Monday, Wednesday and Thursday) age from 14 months old onwards. Don't hesitate to contact Magda 04 0087-4212

Thanks

Magda
