

Merry Christmas and a happy new year

November was a busy month at Chiquitos FamilyDay Care, with many projects, children were interested in little creatures, searching in the garden and making their own butterflies, ladybug, spider craft etc learning the meaning of traffic lights and signs on the road, being aware that red means STOP and green GO, older children were interested in spelling names, and words around the playroom. We gave a big welcome to our new member of the crew. It has been a very productive and successful month. Now we are heading off to our favourite season of the year Christmas time, kids are writing their letter to Santa and post it, decorating day-care , so Santas won't miss us. Educator and parents are planning our big Christmas party, with a fantastic respond, with the visit of Santa Claus , face painting and jumping castle, so much fun, handling kids portfolios wishing all the best to all kids that won't come back next year as they will jump on the big adventure Kindergarten, what a great year full of fun adventure and goals.

Chiquitos family Day Care is so lucky to be part of the Sutherland shire Family day care children services who are always provide a quality and stand services to all families. And without forget to all chiquitos fdc parents who without their support couldn't go ahead so many projects and excursion done through the year.

Chiquitos family day care will be closed between 26th December 2011 and re open door from 9th January 2012, taking time to do small modifications and get ready to jump on another journey full of fun. We got a few spot left so hurry up, come and visit us.

Chiquitos Family Day Care wishes you and your family a Merry Christmas and a safe 2012.
