FRUIT AND VEGETABLE SHOP

Fresh is the best

THE biggest sellers at Jason Zorbas' store, Kogarahs' Fresh, are the leafy greens. Cabbage was particularly popular, he said.

With 14 years' experience at Flemington Markets, Mr Zorbas has had his shop for a year and is still meeting locals for the first time.

His family helps with the business and he specialises in high volume supplies, with a large capacity to hold produce.

The delicatessen section of the business – which offers cheese and fresh juice – has proved popular.

Other finalists are All Seasons Fruit Market, Bexley; Mortdale Fruit Box Market and Deli, Mortdale; Adam's Apple Fruit and Vegetables, Hurstville; New Village Fruit and Deli Market, Peakhurst.

Just choose a style

JENNIFER Bates had her first hairdressing salon 21 years ago. Today, she is the proud owner of her fourth salon – Jenny Bates' Hair Studio at Peakhurst.

Ms Bates said high on the list of client requests was to have their hair coloured. She said most middle-aged clients wanted to be blonde, with older clients preferring brunette shades.

"Hardly anyone wants to have their hair a natural colour," Ms Bates said.

Sister Centres
go head to head

The Little Cottage LDC, Giggles ELC and Happy Feet on Mill Street are up against each other in the 2012 St George Small Business Awards.

Licencee Anastasia Papadopoulos quotes E Robinson, there are "two kinds of gratitude: the sudden kind for what we take and the larger kind we feel for what we give."

We are honoured to provide the community with quality care, in the form of love and education for our children.

Thank you to all who voted for our centres.
